Number of food retail establishments In Abu Dhabi

The causes of poor health in food establishments

- Penal sanctions were weak before the Food Law
- The low level of social and cultural workers in the food sector
- Non-professional workers in the food sector
- workers are constantly changing
- Limited income impede the development of facilities
- Lack of experience of space management.

Developmental plans

- Risk Based inspection plan
- Personal Digital Assessment.
- Training of food handlers

The benefits of a Personal Digital Assessment (PDA)

- Shorten the time of inspection
- Standardization
- Facilitate the inspection process
- Reduce paper work
- Provision of statistics and databases
- Follow-up inspection and audit procedures
- Upgrading

Training of food handlers

Basic food safety:

- Chilling
- Cooking
- Avoid risk contamination
- Personal hygiene
- Pest control
